Disabled Students

In accordance with the Equality Act 2010 and the SEND 2014 Code of Practice, Guilsborough Academy's policy ensures that:

- Disabled students will not be treated less favourably, without justification, than their non-disabled peers.
- Reasonable adjustments are made to ensure students who are disabled are not put at a substantial disadvantage in comparison to pupils who are not disabled.
- A long-term Accessibility Action Plan is produced.
- Regular risk assessments are carried out for disabled students.

Transport To and From Academy

Students in Years 7 to 11 who live in the Guilsborough Academy designated catchment area and are more than 2.5 miles from the Academy, qualify for a free bus pass provided by the Local Authority.

Sixth form students may purchase bus passes directly from the LA, currently priced at £600 per annum (A discount is available for students who are on free school meals)

Parents of students living outside the Guilsborough Academy designated area are responsible for arranging transport to and from Academy.

Guilsborough Academy would expect the vast majority of pupils to remain within their normal age group throughout their Academy career. 'Out of Cohort' transfers are only likely to apply in exceptional circumstances where the specific needs of individual pupils require such an arrangement and only with agreement of Local Authority.

Late admission to Primary School

When a child starts at infant of primary school later than normal because of parental wishes they would normally be expected to join their chronological age group.
