Dear Parent/Carer,

In 2019 we are proposing to take a group of 45 students on a ski trip to Quebec in Canada. This is a fantastic opportunity for students as they will develop their skiing ability in excellent mountain terrain. The resort in Quebec is called Mont Sainte Anne, which is an ideal resort for all ability skiers from the beginner to the most able.

Students will also have the opportunity to experience a different culture, as we will be staying in Niagara for one night on our way back to the airport. Students will get to see many different sights such as a guided tour of Niagara and they will have the journey behind the falls experience.

The accommodation at the ski resort is located in Beaupré and is within easy walk of the local amenities and shops. The Chateau Mont Sainte Anne Inn is a large, comfortable hotel and typically will be based on 4 students sharing 2 queen sized beds with en-suite facilities.

The cost of the trip will be approximately £1670, which includes:-

- Return UK coach transfers from school to airport
- Return scheduled flights, including all airline and airport taxes
- Overseas coach transfers and in-resort shuttles
- Six nights half board accommodation in the ski resort – breakfast and evening meal
- Five day lift pass
- Ski lessons (5 days x 4 hours each day)
- Five days hire of skis, boots and poles
- Ski helmet hire
- Evening Activities – which could include swimming, waterpark, cinema and a visit to the Quebec Shopping Mall.
- In-resort representation and 24 hour emergency service
- City Stopover Niagara includes: Flights to Toronto and transfer to Niagara, 1 night accommodation with continental breakfast and dinner. Full day use of the coach in Niagara. Transfer to the airport.
- Tour Guide in Niagara and a Journey Behind the Falls experience.
- Full medical and travel insurance – although it is important to note that an additional premium may need to be paid if there are medical conditions which need to be declared.

Please be aware that the quoted price includes all known charges and taxes, but it is important to note that these can fluctuate. You will be advised of any charges notified to us by the ski company as soon as possible.

Where demand exceeds the number of places available, trip leaders, in consultation with another relevant senior leader, will conduct a ballot to determine the allocation of places. Please also be aware that if successful a deposit of **£250** will need to be paid by the **11th of December 2017** to secure your son/daughter's place.

If your son/daughter secures a place for the trip, a letter will be sent out regarding payments. Passport details will also need to be collected.
