Learning Without Limits

May 2018

Dear Parents/Carers

As a school, we have acquired stationery starter packs which contain the following items:

Ruler	Pen	Pencil
Glue	Coloured pencils	Purple pen
Clear pencil case	Protractor	

Buying this pack is not a requirement, however, pupils will need to have the following equipment for when they start in September. For a fee of **£2.75** you can buy this pack via Parentpay.

Also, for a fee of **£6.50** you can buy a calculator which is recommended by the Maths department.

If you purchase either item, your son/daughter will be given them on their first day in September by their form tutor.

Where families are experiencing severe financial hardship, limited support may be available from the Governors' hardship fund for school excursions and items. Applications for hardship support should be made in writing, accompanied by evidence of any benefits received, to the Principal's PA. Each case will be considered on its individual circumstances.

Please do not hesitate to contact me if you have any questions regarding this letter.

Yours faithfully,

**Miss Keenes**  
**Head of Year 7**
