November 2016

Dear Parents / Carers,

We are now into our second term at Guilsborough and we wanted to let you know that the staff have been very impressed that the conduct and progress that commenced in Year 7 has continued into Year 8 and we look forward to making further outstanding progress this year. These foundations were, I am sure, in no small part due to the hard work and support that is provided by you at home and this is very much appreciated at Guilsborough. Year 8 is an important year as your son/daughter will select which curriculum options they will take forward to complete to GCSE standard. It was a pleasure to meet so many of you at the parents' evening towards the end of last year and I hope this year we will be able to work together again to ensure your son/daughter thrives and enjoys their time with us.

Key dates that you need to be aware of are as follows:

- 2nd March – Options evening 6pm – 7pm
- 9th March – Parents' evening 5pm – 7pm
- 30th March – Options deadline

GOALS

With this in mind, students need to approach this year determined to do their best. As you will be aware, as part of our vision as a school our aim is "Learning Without Limits" We believe this can be achieved through 'GOALS' which forms our core values as a school; **Guilsborough** students succeed when they are **Organised**, have a good **Attitude** toward learning, are courteous to others whilst also using appropriate **Language**, and are **Supportive** toward one another. We encourage all our students to share in our ethos and of course as your child begins year 8, we hope s/he will demonstrate these values daily.

Organisation

Being organised is the key to success, therefore it is important that students bring the correct equipment to school; pens, pencils, a ruler, the correct books for the lessons timetabled, PE kit, food ingredients and of course their termly planner. Please encourage your child to check that they have the basic stationery every evening, so that they are not hindered the following day. In order to help students be organised they are expected to have their planner every day to record homework, clubs and subject levels. It is checked by their form tutors once a week and must be signed by both parents and the form tutor, so that good communication between the school and home is maintained. Any messages you wish the form tutor to read can also be written in the student planner.

Independent Learners

In order to help our students to be better learners and prepare them for the challenges during KS3 and KS4, your child will be encouraged to solve problems more independently. Students will be introduced to our "Stuck Policy" within lessons also Mr Gowney-Hedges, one of our Assistant Principal teachers who leads on teaching and learning, will introduce this through assemblies in the year. The aim is to increase our students' resilience ensuring that, all our students have the skills needed to be independent, self-motivated and effective learners. We ask that you encourage your child to be an independent learner at home by ensuring s/he completes their homework on time and finds solutions when problems arise.

Reward system

This year we have amended our rewards to work in conjunction with our new house system. Stamps for each lesson have been replaced and instead each student will be accredited with 25 points at the start of each week with additional points being given for: individual pieces of work, showing courtesy and respect around school, participation in school events, attendance, average effort scores of 1.2+, leadership achievements and house competitions. The points will result in various rewards such as: public recognition on house boards and in the newsletter, celebratory postcards home, early lunch passes, tea with the Principal, non-uniform days and end of year trip. We are exceptionally proud of our students and feel that these changes will better acknowledge their achievements.

Uniform

Combinations which are acceptable are: the black blazer, white shirt and tie. All combinations are to be worn with black tailored trousers or a knee length skirt. Shoes must be black, no canvas shoes or trainers are to be worn. Please note that chinos, jeans, jeggings or leggings are not acceptable.

Attendance

Regular and punctual attendance at school is both a legal requirement and essential for pupils to maximise their educational opportunities. Guilsborough Academy will promote positive behaviour and good attendance which will be recognized and celebrated appropriately. All children should be at school, on time, every day that the school is open, unless the reason for the absence is unavoidable. If this is the case please contact the school as soon as you are able to notify us. Children are sometimes reluctant to attend school. Any problems that arise with attendance are best resolved between the school, the parents and the child. If this situation arises, please contact your child's form tutor so that we can work collaboratively to rectify any issues.

Homework

You will be able to use the VLE to access all homework that has been set. The tutors will show you how to do this.

Please do keep in contact with tutors, especially if you have any issues or concerns. Also please let us know anything you wish to celebrate such as a child's achievements you would like us to be aware of. I am really looking forward to another successful year and celebrating all of our Year 8's achievements.

Yours faithfully,

Miss C Lavelle
English teacher & Head of Year 8.
