

16th January 2017

Learning Without Limits

To: Parents/Guardians of students in Year 9

Dear Parent /Guardian,

Parents' Evening - Thursday, 26th January 2017, 5.00 to 7.00 pm

On this evening subject staff will be available for five-minute appointments to discuss the progress made by each student. An appointment sheet is attached to this letter and students must bring the sheet into school and approach all of their subject teachers in order to make appointments. Parents should not feel under any obligation to see every teacher, but are most welcome to do so should they so wish.

Some teachers will teach more than one group within this year and will have to prioritise appointments. Where a teacher in this position feels that a consultation will be useful, he or she will make sure that the student is aware of this and will suggest that an appointment is made.

If there is a particular area that is causing you concern, please indicate this on the return slip below and remind your child to make an appointment with the appropriate teacher. If for any reason you are unable to make a specific appointment, please tell the reception staff and they will arrange for the teacher to contact you.

It is often very helpful for your child to accompany you to the consultations, we would ask that, where possible, **younger brothers and sisters do not attend as they can be distracting.**

Car parking is available on the school bus park at the back of school as well as at the front of the school.

Please confirm receipt of this letter by completing and returning the cut-off slip below to your son/daughter's form tutor.

Yours faithfully,

Mr Vandersteen
Head of Year 9
