

29 June 2017

Dear Parents/Carers

Ofsted Inspection 6th June 2017

We have now received the attached letter from our recent short inspection on 6th June 2017. [Link here](#). We are delighted that Ofsted agreed with our self-evaluation and continue to judge us to be a Good Academy. Many of the areas of good and excellent practice, we were already aware of, are mentioned in the attached letter. The letter also includes areas that we know we need to work on and have been developing over the past academic year.

Prior to the inspection visit the inspectors had reviewed our examination results, as well as attendance and exclusion figures. They had also reviewed the necessary information on our website. On the day itself they visited lessons, reviewed student, staff and parent/carer questionnaires, spoke with students and interviewed key leaders in the school. The inspectors were very thorough in their inspection of the school and we feel that the letter is a fair and true reflection of where we are in our journey to providing the best possible education for all our students.

It was a very intense day and whilst we are glad to be moving forward from it, we want to take this opportunity to thank our students and staff for being so supportive of the school and representing it so well. We would also like to thank you for your continued support of our students and staff, working together with the school to ensure our young adults achieve their best both academically and as positive role models.

Yours sincerely

Mrs Julie Swales
Principal
