

25 May 2018

Dear Parents/Carers,

Uniform update

Thank you for your continued support with raising the standards of Uniform at Guilsborough Academy.

In term 6 we will continue with spot uniform checks on a regular basis and sanctions will be applied to those students not in the correct uniform on that day to include break, lunchtime and afterschool detentions.

Thank you once again to all those parents that continue to work with us to keep Guilsborough the great school it is and to those students that wear their uniform correctly and with pride. By continuing to support Guilsborough, you allow our staff to concentrate their time on teaching, learning and leading the school, rather than distracting them from this with avoidable issues.

Yours sincerely

Mrs Lakey
Vice Principal
