

YEAR 12 HEALTH AND SOCIAL CARE SUMMER WORK

With the demographics in the UK changing rapidly and the population living longer, the health and social care sectors will experience huge growth over the next few years. The BTEC diploma at Level 3 offers you a broad and in-depth foundation, and a choice which prepares you for the world of work or to continue your studies. The specifications are divided into units such as learning about an individual's rights and needs, cultural diversity, the impact of diet, and coping with changes in life stages. It is an ideal foundation for any one planning to follow a career in this sector. It will provide you with a

Task	Time	Feedback
1. Research TV and newspapers to investigate current "Health, and Social Care " topics in the news. (E.g. the care home situation, school admissions)	60 mins	This will be assessed during the first 3 weeks as you will use the information as case studies for your coursework assignments .
2. Create a scrapbook of the findings of task 1. . This will need referencing for future use as case studies. Look for useful video clips (iplayer / you tube).	60 mins	This will be assessed during the first 3 weeks as you will use the information as case studies for your coursework assignments .
3. Complete some research on legislation which promote anti-discriminatory practice:- <ul style="list-style-type: none"> • The Sex Discrimination Act 1975 and 1986 • The Race Relations Act 1976 • The Disability Discrimination Act 1995 • The Mental Health Act 1983 <p>1. What does the Act aim to do? What is its purpose? 2. How does the Act define discrimination 3. What is the relevance of this type of discrimination in a health or social care setting? Who is it relevant to and why?</p>	120 mins	Hand in during your first week in school in September.
