

# Guilbsborough Academy NEWSLETTER

Date: October 2022

Issue No. 857

Dear Parents/Carers

As we approach the end of the first half of the Autumn term, we reflect on what has been a busy time for the academy.

## Guided Reading

At the start of the year we launched our guided reading programme in KS3. All students in Years 7-9 now read with their tutor each week. The age-appropriate texts are being read by all students as we encourage them to read more, including for their own pleasure. Students in KS4 (Years 10 and 11) also have dedicated reading time in the tutor groups. Improving the reading age of our students will ensure they are able to access their full curriculum.

## Celebrating Success

Open Evening - I have already said a massive thank you to all the students who supported the academy during the Open Evening. I was proud to see so many students wanting to support their school and show off their subjects. We welcomed over 280 families to the academy and the evening was very busy. Our students were amazing.

A positive start - Last week I met with a group of Year 7 students who had been nominated by their tutors. These students have made a really positive start to the Year and we met over a hot chocolate and a cookie to discuss their favourite subjects and what we could do better. I will repeat this throughout the year so that more students can be nominated by their tutor.

Student of the Term - This term we have released our very first Student of the Term awards. These individual awards, given by each member of staff, recognize students across the year groups who have made an impression for various reasons. The students will receive the commendations this week.

Year Group	Attendance	Students with 100% Attendance
7	95.6%	112
8	93.2%	119
9	92.1%	95
10	88.5%	82
11	91.3%	102

Attendance - We are also celebrating those who have excellent attendance. While we recognize illness affects everyone, it is right that we recognize those who have managed to attend school every day. Year Groups attendances are shown :

High attendance is one of the key indicators of success. If your child is off, please do contact us to inform us of their absence.

Student Leadership - Our Student Leadership teams have now been confirmed. These groups will now meet with their links on the staff senior leadership team to discuss their thoughts. I look forward to working with them to agree action plans for the rest of the year and beyond.

In addition to all of the above, we have also seen a return to sporting fixtures and the Table Top Gaming club. More information about our sporting activities will be shared separately. Also, a reminder that tickets to our production of We Will Rock You are now available [on this link](#).

Finally, a number of parents/carers asked that we give more information about what the students were learning in lessons. This information is now available on our website [here](#).

**Mr S Frazer**  
**Principal**

# Guilsborough Academy Sixth Form

## Open Evening Thursday 3rd November 2022 6–8 pm

### What's On:

- Tour our purpose-built facilities
- Meet our students and ask them about their Post 16 curriculum, their chosen Post 18 pathway and their experiences of life in our Sixth Form
- Meet our staff and discuss which courses are right for you
- Find out more about Post 18 options from Universities and Apprenticeship providers

Telephone: 01604 740641

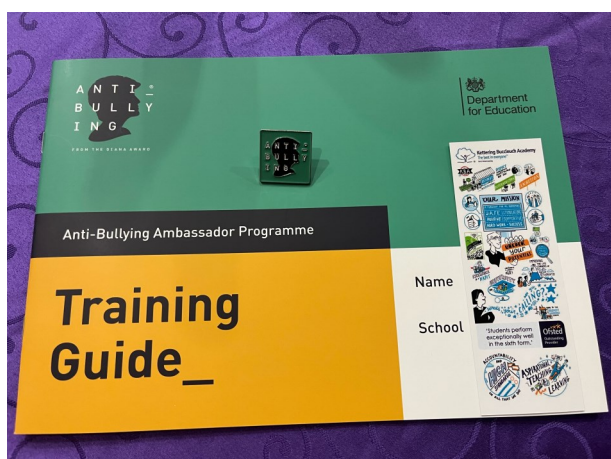

West Haddon Rd, Guilsborough, Northampton, NN6 8QE  
email: [sixthformadmin@guilsborough.northants.sch.uk](mailto:sixthformadmin@guilsborough.northants.sch.uk)

# Anti-Bullying Ambassadors—The Diana Award

On Tuesday 11<sup>th</sup> October 8 students were invited to be trained as Guilsborough Academy's Anti-bullying Ambassadors sponsored by The Diana Award and The Department for Education. They had a fabulous day and are very excited to meet with Mr Frazer to start campaign planning for this academic year.

**Miss Fretwell**  
Student Leadership Coordinator

## Dates for your Diary:

### OCTOBER

- Fri 21st School Closes
- Mon 31st School Opens

### NOVEMBER

- Thu 3rd Sixth Form Open Evening, 6-8pm
- 9th—11th School Production

### DECEMBER

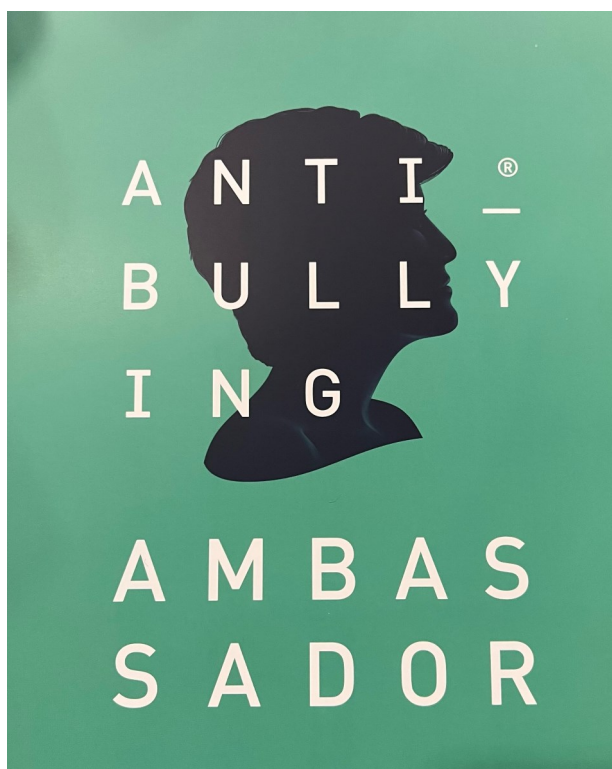

- Thu 15th Year 11 Parents' Evening
- Fri 16th School Closes

### JANUARY

- Tur 3rd Training Day
- Thu 19th Year 13 Parents' Evening
- Wed 4th School Opens

### FEBRUARY

- Thu 9th Year 10 Parents' Evening
- Fri 10th School Closes
- Mon 20th School Opens

# GCSE Sheffield Manor History Visit

As a part of History GCSE, the Year 11 History students took part in a school trip to Sheffield Manor Lodge, the property of the 6<sup>th</sup> Earl of Shrewsbury, George Talbot, who had custody of Mary Queen of Scots, from 1569-1584, following her arrest by Queen Elizabeth in 1568.

We took part in many activities once we'd arrived at the Lodge. We attempted to recreate and mould the Manor out of clay, studying the structure and layout of the manor, and referencing familiar Tudor architecture, relevant to our GCSE course. We were also looking at and translating old Tudor texts, writing them out using quills and ink. This was interesting as we could look at some of the traditional Tudor language that was used, and how the language has evolved over time.

As we went on to learn about the rich history of The Lodge, we studied its relation to Mary Queen of Scots and Elizabeth the 1<sup>st</sup>. While visiting the Tower House, we learnt about Elizabethan lifestyle, including information about dining traditions, habits, and rules widely practised in the Tudor period.

Studying the different important figures involved with the Lodge, was also part of our trip. These included George Talbot, the owner of the Lodge, his story of accommodating Mary Queen of Scots, and how it led to his eventual bankruptcy. We also studied the story of his wife, Bess of Hardwick, and her friendship, and rivalry, with Mary, including scandal and plots against Elizabeth 1<sup>st</sup>. Whilst also in the Tower, we got to dress up, trying on many traditional Tudor/Elizabethan outfits, including elegant ballgowns, doublets, capes, and Tudor headwear. This, as well as being a lot of fun, was helpful to us, as we study Tudor fashion as part of our History course.

Overall, we got to study many different elements of Elizabethan history and daily life, along with studying the Monarchs and their scandals, all whilst exploring the ruins of a real Tudor building.

**Maisie Green**

**Year 11**

# GCSE Sheffield Manor History Visit

## SEND DEPARTMENT PARENT FORUM

We have had a great interest in our new SEND Parent Forum. We look forward to welcoming those of you who expressed an interest in attending our first meeting next month.

Our future SEND Parent Forums will take place on:

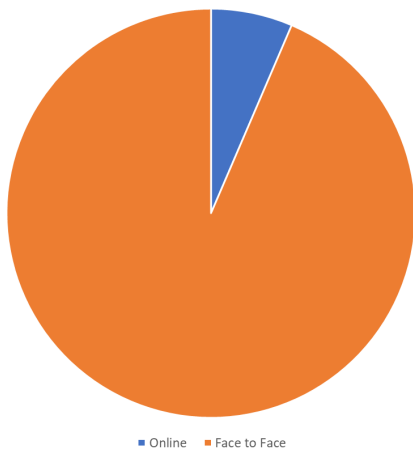

Monday 20th March 17.00pm

Wednesday 24th May 17.00pm

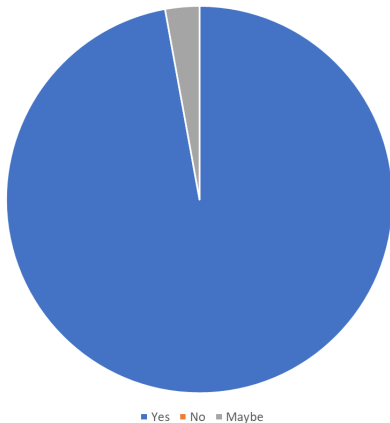

# SEND Parents Evening

At the end of September, the SEND Department held their first parents' evening. Keyworkers had the opportunity to meet with their new key students' parents/carers. During the evening we asked for feedback, to enable us to look at the positives of the evening as well as those things we need to improve.

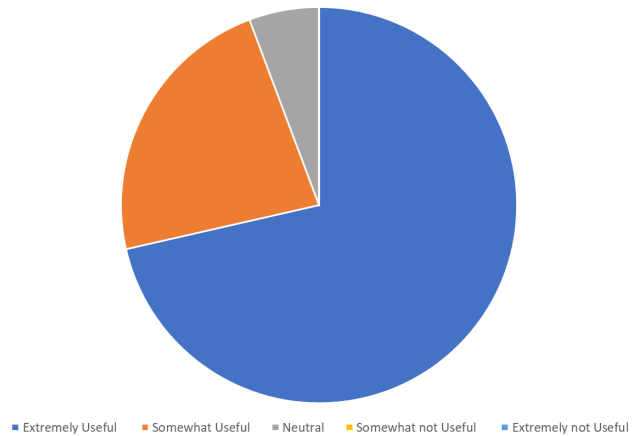

Which format of meeting would you prefer?

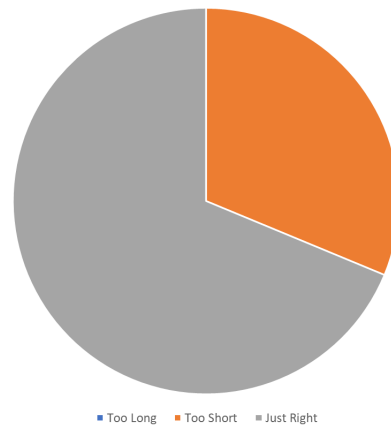

Did you have the opportunity to raise any issues or concerns

Overall, how useful did you find this evening?

What were your thoughts on the time length of the appointment?

Out of the 166 parents/carers that were invited, we had almost 50% attendance for the SEND cohort.

Following on from comments made, we are looking to extend appointment times and consider light refreshments.

**Everyone CAN MAKE A Difference**

**Guildsborough Academy is supporting Daventry Food Bank again this year by donating Christmas Food Hampers.**

If you would like to support the cause, please provide your child with items listed on the flyer which can be found on our website by Monday 5th December. Further details can be found at [www.guildsborough.northants.sch.uk](http://www.guildsborough.northants.sch.uk)

# Year 7 Bowling

During the first half term of joining Guilsborough, myself and the other Year 7's went on a bowling trip. The bowling trip was an organised event where we were able to get to know each other a little better. We were in teams of six to bowl; our tutor group used a raffle to select the teams. Whilst some teams were bowling, others were able to enjoy playing games together in the arcade.

The idea of the trip was to allow everyone in Year 7 to have the opportunity to meet each other whilst having fun. I personally made some new friends as well as getting to know my classmates better.

The bowling itself was great fun, and we were able to socialise on the bus too. On each bus there were two tutor groups; we played games together and sang karaoke.

Overall, it was a great success, and I look forward to the next socialising event!

**Delilah Gray**  
Year 7

# Year 11 Arrows Programme Trip to University of Cambridge

On Thursday 6 October, 10 of the members from the Year 11 Arrows Programme took part in a trip to Pembroke College, in Cambridge. The trip started with an icebreaker challenge, involving Cambridge trivia, university knowledge, and teamwork with three other schools.

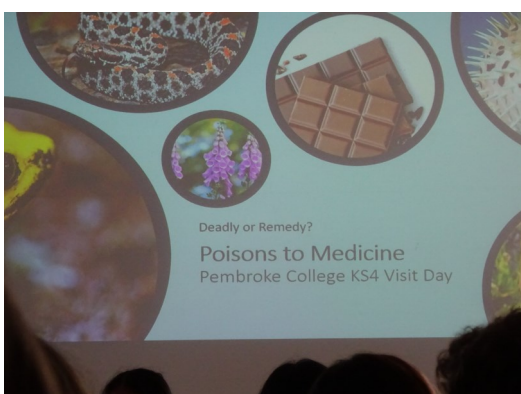

We were then given an introduction to the University of Cambridge, including its different college campuses, variety of courses, and enrolment process, involving information on the requirements for application, and tips for student interviews. The trip then proceeded onto a Q and A session with current students across a range of different subject areas, we were able to ask them about their decision-making process, their courses, the extracurricular opportunities available to them, and the different leadership roles they had, within the student body.

We were then taken on a tour of the campus, visiting the available student areas, different types of student accommodations, and the campus chapel, with the tour culminating in the hall, where we ate lunch, and chatted to the student tour guide.

Returning to our meeting room, we received a taster lecture, from a 3<sup>rd</sup> year PhD student, presenting her project on Poisons vs Medicines, in which we learnt many new things about different areas of science, and about her research taking place at the university, as part of her Natural Sciences Course.

Finally, we discussed post 16 choices, and the subject requirements for different areas of education, the specific courses available within, and the A level options required to partake in those courses. We thoroughly enjoyed our day out in Cambridge, and took part in many, University based, learning activities and opportunities throughout the trip.

**Maisie Green**  
**Year 11**

# Year 12 & 13 Visit to Cummins Power Systems

Whilst most of the school had a day off at home last Friday due to the teacher training day, a few of us were embarking on an exciting opportunity to explore the world of Cummins, a multi-national engineering firm who specialise in the production of high-volume engines for power generation.

Upon arrival, it was obvious that Cummins was a massive company: from the size of the site we visited in Daventry that was around forty thousand square metres to the employees numbered at around one thousand people. We were ushered through a row of office cubicles to the meeting room which became our home for the day. Once settled – and after we had selected our snacks and drinks – we were introduced to the world of Cummins with a fascinating presentation detailing the role of the company in the wider world. We learnt that virtually all hospitals in the UK as well as many other massive projects such as the Olympic Park use Cummins generators as backup power.

In our groups, we went to learn about the use of virtual reality in the engineering world and have a go ourselves. One-by-one we all had a go at viewing the inside of an engine and performing virtual maintenance using the state-of-the-art VR technology. This was a real privilege and one of the highlights of the day.

Next up was a tour of the factory in which we not only learnt about the order in which the engine is manufactured but also the extreme, but necessary precautions taken to ensure that every engine is produced perfectly with no defects. I was mind-boggled when I saw the vision scanner used to ensure that even the smallest gasket is perfectly fitted.

After lunch, we were shown how the production process is being modified using Cobots (collaborative robots) who can support a worker in the production of a part of the engine and lead to a higher quality product. A part of this involved us playing with these robots which was another highlight of the day.

After this, we were shown a brief presentation on the apprenticeship opportunities which is certainly worth looking into especially for Year 11's. Then we got back on the bus and spent the journey home digesting the day's events.

We would all like to say a huge thank you to everyone at Cummins for having us and specially to Harry Haslam for organising the visit and ensuring everyone had a good day.

**Jack Battams**  
**Year 13**

# Young Minds UK

# Transport & Lost Property

## Buses

Many of our services are now near full capacity, the council are aware of this. This means that students will not have a choice of seat and will need to sit where there is availability. We also need students to be more considerate and not place bags etc on seats, not allowing others to use them. Students **MUST ONLY** use the bus they are assigned to as this is causing overcrowding issues.

- Students must have their bus pass with them at **ALL** times and show the driver on boarding the bus.
- If your child has lost or forgotten their bus pass, they must obtain a temporary pass.
- Temporary Bus Passes can be obtained only during **BREAK** and **LUNCH** from Student Reception.
- Passes cannot be obtained at the end of the day as there is insufficient time to issue the pass without the possibility that they may miss the bus.
- Permanent bus pass replacements are obtained through the council websites at a cost of £25.
- Students are issued a pass for **ONE** specific route. This is to ensure student safety by loading the vehicles to agreed levels. In the event of a breakdown/accident we need to be sure which students are on the vehicle.
- Students are not able to travel on a bus which they are not assigned to.
- Passes **MUST NOT** be given to a student not named on them.
- Any damage on a bus will be charged to the parent/carer of the student.
- If you wish to transfer to a different bus this can only be arranged by the Council.

## Transport Team Contact details:

SchoolTransport.NCC@westnorthants.gov.uk

01604 364388

[www.westnorthants.gov.uk](http://www.westnorthants.gov.uk)

## Own Transport

The school day begins promptly at 8:45am. We do encourage students to be on site by 8.35am if possible.

This link shows any known road closures etc.

[Northamptonshire Highways](#)

## Lost Property Notice

Provided lost property is named, it is promptly returned to students.

However, each year we accumulate a large number of unnamed and unclaimed items including drinks bottles, jewellery, glasses, keys, pencil cases etc.

Any items which are not collected prior to 16th December 2022 will be either be given to bagsforschool, recycled into spares or thrown away.

Please ensure that **ALL** school uniform / items are named. **If it is named we can return it.**

# Christmas Hampers

This year we will again be supporting Daventry Foodbank and running a Christmas Hamper Competition between the Tutor Groups. Each group will be asked to donate items and to decorate their box. Donations should be brought into school by Monday 5th December and below is the list of suggested items. We look forward to seeing the students creations and thank you in advance for your donations.

## Christmas Food Hampers 2022

Here is the shopping list for the Christmas Food Hampers.

The food hampers cost in the region of £25-£35 depending on where you choose to shop.

Can we please ask that you do not purchase any 'basics' items. The hampers are designed to be a blessing at what can be a very difficult time for many people and we want the recipients to be made to feel special by this gift.

The optional family game is completely up to you.

We will need to have received the hamper by Wednesday 14th December.

We will update you as soon as we have secured a space, so that you can drop off the hamper.

If you are able to put the hamper into a box which has been covered in Christmas wrapping paper that would be great.

Thank you so much for your generosity.

# PE Interhouse Competitions

Our first Interhouse competitions have been taking place in the last week of term. Year 7s, 8s, 9s and 10s have competed in Football, Bench ball and Netball. Respect and Equality was shown by all, in a friendly yet competitive tournament.

Points table to follow in the next newsletter.

**Mr Jefferies**  
**PE Teacher**

## Uniform

If you have items of current logo uniform we are able to recycle these to students. Please drop these into main reception.

**Miss Vickers**  
**Head of Year 11**

## Guilsborough Mother's Union

Many thanks to the Guilsborough's Mothers Union for the donation of Maths sets for our students.

**Miss Keenes**  
**Assistant Principal**

## Scallywagz Sportswear Offer

Scallywagz are currently offering a discount on Small, Medium and Large sized sportsware.

Buy a **Long Sleeve Sportswear Top and Polo** together giving a saving of approximately **£5**.

For example a **Long Sleeve Top Sports top and Polo in size Large** together would cost only **£48** with a saving of **£5.98**. (Instead of costing **£53.98**).

# Sporting News . . .

## County Swimming Gala

Zachary Jones took part in the Short Course County Swimming Gala in September in Corby as part of the Daventry Dolphins Swimming Team. He was chosen as part of the ASA Northamptonshire Swim Team to compete at the National County Team Championships at Ponds Forge on the 2nd October.

## Northamptonshire Squash Championships

In October Bryony Harris took part in and won both the Under 13 and Under 15 County Championships. Congratulations to Bryony as this has now moved her up to be ranked 15th in England for her age group and has been invited to join the England Elite Development Pathway Squad—the first Junior to be invited in almost 10 years.

## National County Team Swimming Championships

Zachary Jones took part in his first National Swimming Championships on 2nd October representing our county. He swam in two races and did not let the nerves get to him. The event was streamed live on YouTube and the team could be watched putting in a fantastic performance. Northamptonshire remain in Division Two and the team have a real determination to return next year.

## Under 16s Girls' Nation Cup Round 1

Guisborough's girls got off to a flyer in the national cup campaign, with a resounding 4-0 victory away at Moulton in what was a competitive local derby. Only last year, Moulton had beaten us 2-0 so to see the progress and the improvement made was a joy to watch. With a clean sheet and plenty of goals, any one of our players could have been awarded player of the match. However the award, chosen by Moulton's team, went to Sophia Kessie, for her outstanding performance in the back 4, winning every battle she nullified Moulton's talented forwards. We look forward to hosting Wigston Academy in the next round.

**Mr Jefferies**  
PE Teacher

## Football Results

Year 7 Football vs Moulton.  
Won 3-2, two goals from Joseph Clarke, one own goal.

Player of the match Ashton Winterburn.

Year 7 Football vs DSLV.

Won 6-0, two hattricks from William Greenslade and Callum Wheeldon.

Player of the match Edward Stewart.

**Mr L Cope**  
Head of Year 10  
Teacher of PE

# PE Sessions

# Why PE, school sport and physical activity matters

Teachers have told us that PE, school sport and physical activity can positively impact:

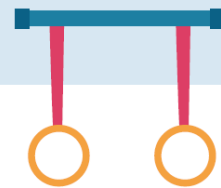

**92%**

academic achievement

**98%**

mental wellbeing

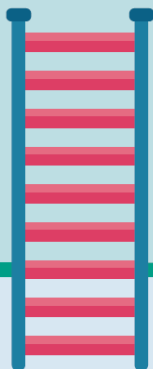

**99%**

physical wellbeing

**97%**

individual student development

**93%**

behaviour of students

**Helping all of your students be active could benefit them, and your school, in more ways than you might think.**

\*Based on a study by Sheffield Hallam University of 81,773 students and 10,285 staff

**Get your school behind PE**

# Why inclusive PE makes a happy school

## Students told us that being active...

Helps them build resilience

**69%**

Helps them make healthier life choices

**62%**

Improves their mental wellbeing

**59%**

Improves their mood.

**71%**

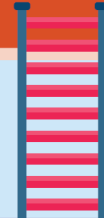

## Our research shows that those who are more physically active are happier.

More active students report an average happiness score of **7/10**

The less active students report an average happiness score of **5/10**

\*Based on a study by Sheffield Hallam University of 358 schools delivering projects

Get your school behind PE

# SAFETY MATTERS: The Halloween and Bonfire Night edition

Welcome to our seasonal safety newsletter which is designed to help keep families safe across Northamptonshire as they celebrate Halloween and Bonfire Night. We want you all to have lots of fun, but please don't forget about safety as you get swept along with the excitement of the season. Here are our top tips...

## Don't let fire creep up on you this Halloween

### Candles and flames

Candles can be popular for use in pumpkins and homes at Halloween, but unfortunately, candles also cause many fires and can be a hazard to families and properties. Opt for artificial candles instead. They are safer and also emit the same glow for those creepy decorations.

# Bonfires - the safe way

Fireworks may often be the main feature of a seasonal display, but bonfires are also a major attraction.

- Before lighting a bonfire, always check the structure is sound and there are no small children or animals hiding inside
- Position a bonfire away from sheds, fences and trees to avoid flames spreading
- Never use petrol or paraffin to light a fire. A safer way is to use paper and solid firelighters in two or three places to ensure an even burn
- Never burn dangerous rubbish such as foam-filled furniture, rubber, aerosols, tins of paint, pressurised gas cylinders, tyres and bottles
- Have one person responsible for lighting the fire. That person, and any helpers, should wear suitable clothing such as a substantial outer garment made of wool or other low flammable material and strong boots or shoes
- Never leave a bonfire unattended

**We hope you found our safety tips interesting and that you remember them when you have your celebrations. From everyone at Northamptonshire Fire and Rescue and Northamptonshire Police, have a happy and safe Halloween and Bonfire Night.**
